

**IMPRISONED & TORTURED

HIS CRIME?

**FIGHTING FOR
FREEDOM**

TED CRUZ:

A PROVEN FIGHTER FOR LIBERTY

Because his family knows what it means to lose it.
When Ted Cruz's father faced oppression in Cuba, he fought back, and paid a heavy price. Imprisoned and tortured nearly to death, he escaped in 1957 to freedom in Texas.

He worked his way through the University of Texas making 50 cents an hour as a dishwasher, built a small business, and became an American citizen.

*As a child, Ted Cruz's father would ask,
"When I lost my freedom in Cuba, I had a
place to flee - if we lose our freedoms here -
where will we go?"*

TED CRUZ:

A PROVEN CONSERVATIVE, DEFENDER OF THE CONSTITUTION

*Cruz: Standing up to the United Nations &
World Court*

When the United Nations and World Court tried to overturn a Texas jury's verdict to execute an illegal alien for the brutal rape and murder of two teenage girls, Ted fought the UN all the way to the U.S. Supreme Court, and won.

Cruz: Defending Religious Freedom

When atheists tore down a religious cross honoring American veterans, Ted Cruz defended the rights of over 3,000,000 veterans to honor their fellow soldiers, and won.
